

An indomitable will coursed through every fiber of Doug's spirit. He was a force of nature in every one of his days.

Today, as we mourn Doug's passing, may his family and we find comfort in the knowledge that his legacy lives on in all who knew him: every institution that he built, every student he influenced, and every person blessed to call him friend.

#### REMEMBERING THE SAUDI ATTACK ON NAVAL AIR STATION PENSACOLA

(Mr. GAETZ asked and was given permission to address the House for 1 minute.)

Mr. GAETZ. Mr. Speaker, 3 years ago today, a Saudi Air Force officer with ties to al-Qaida attacked Naval Air Station Pensacola resulting in the deaths of Ensign Joshua Kaleb, Airman Apprentice Cameron Walters, and Airman Mohammed Haitham; this also included the injury of eight others, including brave sheriff's deputies and sailors.

Saudi Arabia had the responsibility to screen and monitor their officers, and they failed. The family members who lost their loved ones live with this pain every day, and the Saudi Government's initial promise made directly to me that they would compensate the grieving families has resulted in nothing.

For this reason, I am introducing the Saudi Arabia December 6, 2019, Anti-Terror and Accountability Act.

This bill would prohibit the DOD from funding any Saudi-led proxy wars and would end the export of weapons and logistical services to Saudi Arabia. This legislation would halt the military officer exchange programs with Saudi Arabia. It would also set aside \$10 million within the state-sponsored terrorism fund so that the victims would be able to be compensated.

The legislation is budget neutral as it draws from a reallocation from funds that would otherwise go to a war in Ukraine.

It is time that we demonstrate national solidarity on the anniversary of this terrorist attack. We should send Saudi Arabia a message, not more weapons.

#### DISGRACEFUL RHETORIC

(Mr. PAYNE asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. PAYNE. Mr. Speaker, I rise today, unfortunately, to address the horrible anti-American comments made by Donald Trump.

Recently, the prominent Republican posted that it was time to terminate the Constitution. The Constitution is the foundation of our country and the backbone of our democracy. It is a brilliant document that continues to inspire democratic governments worldwide.

If a Democrat or I had made these comments, the person would be widely condemned and denied any attempt to run for office. But the Republicans do the opposite. They give weak denunciations of the comments—if any at all. But they refuse to reject Trump in public.

He rejects our institution, fights to deny our elections, and dines with racists. Yet, this is the type of person the Republicans believe to be a viable candidate for our highest office.

It is a disgrace and a national embarrassment.

#### CONGRATULATING KATE HASLAM

(Mr. CARTER of Georgia asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. CARTER. Mr. Speaker, I rise today to congratulate Kate Haslam for her placement on "Georgia Trend's" annual 40 Under 40 list.

Kate is a Savannah-based certified public accountant working as an audit principal for Hancock Askew & Company.

A graduate of the University of Georgia, Kate inherited her ambitious spirit from her mother who competed in two sports at the college level while pursuing several graduate degrees—the same drive that allows her to build a high-level career in accounting while raising two young kids at home.

Kate is not only a leader in her workplace, but also a leader in the broader Savannah community. She was a 2021 graduate of Leadership Savannah, an organization dedicated to instilling good leadership qualities in managers from a diverse cross section of industries in the Savannah area.

On top of all this, Kate still finds time to give back to her community. She participates regularly in volunteer services for the families of fallen first responders as well as for United Way and the March of Dimes.

I am proud that so many young people in our district are as impressive as Kate is, and I am glad that Georgia Trends recognizes these accomplishments, too.

Mr. Speaker, I congratulate Kate.

#### RECOGNIZING DISTRICT ATTORNEY NANCY O'MALLEY

(Mr. SWALWELL asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. SWALWELL. Mr. Speaker, I rise to recognize District Attorney Nancy O'Malley who is retiring after serving as the chief law enforcement officer in Alameda County for 13 years.

Nancy's career began as a rape crisis counselor volunteer where she witnessed firsthand the way in which victims of crime were disregarded or disrespected by the justice system. It inspired her to go into law enforcement and rise to the rank of chief assistant district attorney.

She has now served the county for 37 years and has developed a national reputation for excellence as the county's first elected female district attorney.

She also created the one-stop shop idea of a family justice center replicated across the country providing legal, health, housing, psychological, and other support services. She has also written and sponsored 60 bills that have become law in California helping people with disabilities access the courts, as well as making sure that victims of crime have their day in court, too.

Nancy also founded the Human Exploitation and Trafficking Unit, or HEAT, which has led the Nation in response to human trafficking.

Furthermore, I am fortunate for Nancy's guidance as my former boss, mentor, friend, and even officiant at my wedding. As Nancy's service to the office comes to an end next year, her work to serve justice will go on.

I congratulate Nancy and wish her and her husband, John, a happy retirement.

#### ONE FINE TEXAN: LOUIE GOHMERT

(Ms. FOXX asked and was given permission to address the House for 1 minute.)

Ms. FOXX. Mr. Speaker, the House is losing many fine Members at the end of this session, and I wish them all well. There is one retiring Member I want to say a few words about today.

That Member is my good friend, LOUIE GOHMERT.

LOUIE and I came to Congress in the 109th in the year 2005 in a relatively small class. But that class had five fine Texans, three of whom have already retired.

LOUIE GOHMERT has been a great friend and an extremely dedicated patriot and Representative. He has been actually a great friend to all people in this body. He is kind and gentle. He is very serious also about the work that is done here.

I know he has often been frustrated by the actions of both the House and Senate, but he has continued to work diligently to make our country and, indeed, the entire world better.

The highest compliment I think I can pay him is that he is a good man who has always sought to do good.

Our country has been blessed by LOUIE GOHMERT throughout his life, and I am sure he will continue to do good.

Mr. Speaker, I will miss LOUIE, but will pray that God will continue to bless him, Kathy, and his daughters.

(Ms. PORTER asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)
